Dear Mommy & Daddy

How are you getting along? Don't work too hard. How is your back Mommy I hope you will be better now.

Sunday evening, we left the camp, after two hour travel, there was a heavy thunder storm & rain. It was hard for us to see the road. Under God's care, we safely reached home at 9 p.m. We all thanks the Lord for the safe journey that He gave us. We will see you this coming Saturday. May God be with you

Love Lily, Ines
